PROFILE

Profile As a front-end developer, I am passionate about creating engaging and intuitive user interfaces. With a solid foundation in HTML, CSS, and JavaScript, I have the ability to transform designs into fully functional websites and web applications. I am dedicated to delivering high-quality code while ensuring cross-browser compatibility and responsive design. A strong collaborator, I enjoy working with designers and back-end developers to bring projects to life. I am constantly seeking to expand my knowledge and stay up-to-date with the latest front-end development trends and technologie
